

How schools performed

Here's how Hernando public school students fared on the reading, math and writing portions of this year's FCAT, and how the scores compare to last year's. Fourth graders take the reading and writing tests; fifth graders the math. Eighth and 10th graders take all three tests. The reading and math tests are scored on a scale of 100 (lowest) to 500. Writing is scored on a scale of 1 (lowest) to 6.

	READING		MATH		WRITING	
	'00	'01	'00	'01	'00	'01
▶ HIGH SCHOOL						
Central	310	314	320	320	4.3	4.0
