

## How schools performed

Here's how Pinellas public school students fared on the reading, math and writing portions of this year's FCAT, and how the scores compare with last year's. Fourth-graders take the reading and writing tests; fifth-graders take the math. Eighth- and 10th-graders take all three tests. The reading and math tests are scored on a scale of 100 (lowest) to 500. Writing is scored on a scale of 1 (lowest) to 6.
