### **Times Facts**

Barry joined the *Times* in 1982 as a schools reporter. Since then he has had stints as general assignment reporter, the *Times* Miami bureau chief, Tampa city editor, higher education reporter and night city editor. As education editor, Barry oversees the *Times* coverage of educational issues from neighborhood grade schools to state and private universities throughout Florida.

### **Talking Points**

• Education • FCAT • Schools

### **Education**

Barry earned a bachelor's degree in history from the University of Florida.

### **Background**

Most of Barry's professional career has been with the *Times*, except for 18 months he spent at the *Orange County Register* in California working on writing projects in the mid 1980s.
